

OST program shares flyers
about after-school
activities at the school's
family night.

OST staff attend the
school's community
partner meeting to learn
about priorities.

OST emails school staff
about upcoming enrichment
opportunities without
expecting a response.

OST staff volunteer at
the school's anti-
bullying event to show
support.

OST promotes the school's attendance campaign on its social media channels.

OST provides snacks for the school's family literacy night as a goodwill gesture.

OST integrates the school's conflict-resolution script into its after-school sessions for consistency.

OST and school create a referral pathway with consent forms for targeted students.

OST and school align
calendars to avoid
scheduling conflicts and
reinforce SEL themes.

OST and school sign a
formal MOU and share
student-level data under a
privacy agreement.

OST and school co-create
and monitor a joint
attendance improvement
plan using a shared
dashboard.

OST and school conduct
joint professional
development on restorative
practices and trauma-
informed care.
